# Break/Lunch Areas

- Secondary school students are not allowed to use the blue tarmac areas in the primary area during break or lunch for the following reasons:
  1. Potential to cause disruption to primary lessons
  2. Not supervised by a member of staff
  3. Secondary school students are not allowed to use the same bathrooms as primary students
- Students are allowed to use all outdoor areas in secondary, including the green tarmac areas and the octagon space.
- During inclement weather and high pollution, all indoor areas are accessible to students
- There are secondary student toilets available on all floors of the discovery building (DC)
