

## Parent Curriculum Overview

### EY1, Term 2

2019-20

EY1 Term 2	
Music - EY 1	<p><b><u>Unit Title: Storytelling through Music: Billy's Band/ Peter and The Wolf</u></b></p> <p><b>Unit Description:</b> In Music, children will be listening to the musical story of Billy's Band and Prokofiev's Peter and the Wolf and will learn how the different instruments of the orchestra portray the characters. Children will then go onto explore storytelling through music, creating their own compositions of favourite stories. Children will also work towards recognising and understanding the Musical Elements of Pulse and Rhythm.</p>
Mandarin - EY1	<p><b><u>2.1 Unit Title: Chinese New Year Celebration</u></b></p> <p>Students will be learning to greet during Chinese New Year and understanding the term 'Happy New Year' through singing a traditional Children's Chinese New Year song. We will also learn to read and write a few zodiac animals through a traditional Chinese New Year story.</p> <p><b><u>2.2 Unit Title: The Cat And The Moon</u></b></p> <p>Students will be learning a new story of The Cat and The Moon in Mandarin through our gesture-based AIM programme. Students will be learning to perform a role from the play with some support. In the story, students will be understanding some common verbs, adjectives, simple place prepositions and sentence structures.</p>
PE - EY1	<p><b><u>Unit Title: Gymnastics</u></b></p> <p>Students will be learning to jump, balance, travel and roll in a variety of ways and to perform shapes and movement patterns. Apparatus will be used for exploration of movement themes.</p> <p><b><u>Unit Title: Ball games</u></b></p> <p>Students will learn ball skills individually and learn to apply them in</p>

	pairs and small groups. Cooperation with others will be a key social skill developed in this unit.
Learning Technologies - EY1	<p><b><u>Unit Title: Our Digital World</u></b></p> <p>In this unit, children will develop a range of information communication technology skills. They will compare the real world with the digital world and will consider ways that they can keep themselves safe when visiting the digital world. They will become familiar with the concept of manipulation and will explore tools that can be used to manipulate images and videos.</p>
English	<p><u>Reading</u> Children will continue on with their RWI program and guided reading lessons with their class teacher.</p> <p><u>Writing</u> Children will be learning to write information texts, poetry, stories and descriptions.</p>
Maths	<p>In Maths this term we will be covering the following units of learning:</p> <ul style="list-style-type: none"> <li>• Number; Addition and Subtraction</li> <li>• Number; Place Value within 50</li> <li>• Measurement; Length and Height, Weight and Volume</li> <li>• Number: Multiplication and Division</li> </ul>
Discovery	<p><b><u>Unit Title: Let's Build Structures</u></b></p> <p>In this unit we will learn how structures are designed and built to meet the needs of the community and environment. We will explore whether how they look and work is important. Can you design a structure that meets the needs of your client?</p>
Learning for Life	<p>The Personal Goals are discussed in detail during our Learning for Life lessons. These lessons take place on a rotation and include a Learning for Life Assembly, Circle Time and class activities.</p> <p>The Personal Goals refer to the individual qualities and dispositions that we as a school feel are essential for DBIS students. The language of the Personal Goals are shared widely with the students and permeate through all aspects of learning.</p> <p>The personal goals that we will cover this term are: Co-operation Resilience</p>
