

DISCOVERY BAY INTERNATIONAL SCHOOL

Nursery Community Bus Trip

Dear Parents,

As a part of our 'Sharing the Planet' enquiry unit the children will be exploring where they live in the world. To support our learning about our community, the Nursery classes will be going on a bus journey with their class friends around Discovery Bay. On the journey the children will have the opportunity to show their friends where they live and special places around Discovery Bay. The bus journey will be around thirty minutes and we aim to pass by as many of the children's homes as possible.

Each class will plan their route together based on where the children in each class live and significant places of interest in Discovery Bay.

Please see the timetable below:

To make the event even more exciting, where at all possible, we would like it if someone from the family could be out and about near your home. When you see us drive by on the bus, you can give us all a big cheer and a wave.

We would like to thank you in advance for your support with this exciting aspect of our learning.

If you have any questions regarding the bus trip please come and talk to your child's class teacher.

Kind regards

The Nursery Team
