

Unifrog is excited to be running our first ever student-facing webinar series, focusing on the destinations most popular with international students in Asia.

Students will learn about the different types of university, how to apply, and what it's like to be a student in each country. Each webinar will start with an introduction to the destination by a member of the Unifrog team, followed by a series of talks from university representatives with a Q&A at the end.

## University in Canada

Wednesday September 8  
18:00 HKT

With world class institutions, and international students actively encouraged to apply for permanent residency after graduation, it's no wonder Canada has seen a recent surge in international students.

Join Unifrog's very own Rob Cannings and representatives from the **University of Toronto, University of British Columbia, McGill University** and **Bishop's University** to find out why studying in the world's biggest exporter of Maple Syrup is 'oh so sweet'!

## University in the UK

Thursday September 17  
18:00 HKT

unifrog

Second only to the US in terms of the number of top-class universities, the cost of studying in the UK is considerably lower. As a result, it's one of the world's leading destinations for international students, welcoming over 500,000 each year.

Join Unifrog's Arash Khosravi and representatives from **Bath University**, **Lancaster University** and **Edinburgh University** to find out why the UK is such a popular destination.
