

The DBIS Learner Profile Art Competition!

We hope you have enjoyed demonstrating the DBIS Learner Profile attributes during your first few weeks of school. We now have a new challenge for you! We need you to re-design the characters! Use your best artistic skills to bring the characters to life by 'DBIS-ing' them.

Try and add some personality to each and use the additional the symbol too (see the back, e.g. speech bubble for communicator) Please don't add too much background to your picture as it's all about the characters! We hope to use the winning designs names in the future!
