

Dear White Rhino parents,

A very warm welcome to all our students and families in Y2 White Rhino class!

It is going to be an exciting year, filled with interesting and fun learning opportunities that will encourage your child to blossom, grow and make friends with children from around the world. Please ensure that you regularly visit the DBIS Hub & Parent Portal as important information will be posted here.

### The White Rhino Team

Hello, my name is Mikayla Black, and I am the White Rhino Class Teacher. I grew up in Sydney, Australia, where I first began teaching and completed my Bachelor of Education at the University of Technology, Sydney. Nine years ago, I moved to Hong Kong to continue my career, where I taught across the Early Years and Primary phase for the English Schools Foundation. During this time, I was given the opportunity to lead across various domains, including Student Leadership and Voice, Wellbeing and Language. This year, I had the privilege of teaching the Nursery and Reception Farm Class at Discovery Bay International School.

Hello, my name is Payal Chopra and I am the White Rhino Class Educational Assistant. It is my first year working at DBIS and I am very excited to get to know you all!

### Communication

It is extremely important to all the Y2 teachers that we establish a positive home-school partnership. We have exciting plans for the year and we will let you know what they are through the DBIS Parent Hub and classroom communication boards, so please keep checking all the communications regularly. Should you wish to discuss your child's learning or any sensitive issues in greater detail, please do not hesitate to contact your child's class teacher or Mrs Georgina Clothier (Y2 Year Group Leader) to arrange a meeting at a mutually agreed time. If you wish to use email, then please send any communication for the attention of the appropriate teacher through the school office: [dbis@dbis.edu.hk](mailto:dbis@dbis.edu.hk)

### The School Day

Our classroom doors open from **8.25 am** each morning. We encourage parents and carers to say goodbye to their child at the door. We expect children to come into the classroom

independently, put their belongings away and begin their learning. The school day will finish for Y2 children at **3.10 pm**. Y2 families can enter campus via the main gate. Please remember to bring your Parent ID Card with you for pick up time. Any parents and carers without a Parent ID card will be required to sign children out. If your child is unwell, please communicate absences through the DBIS Hub jotform: <https://form.jotform.me/72201104115435>
