

MY CULTURAL STORY

As a part of our Discovery Unit, *Unstoppable Me!* we are asking Year 2 children to complete a cultural story with their families over the summer holiday. This cultural story will help support our learning about what makes us amazing, unique, and special - celebrating all our amazing differences and gaining insight into our new classmates and their families.

This can be presented in any way you wish. Please discuss some of the questions as a family and share the information in any way you like. Adults, please feel free to support your child's writing, write on their behalf, or encourage them to create drawings or a video to symbolise your child's cultural story.
