# WELCOME

We are thrilled to welcome you to the DBIS Main Pitch for a morning of high-energy fun. This year, we have revamped our format to maximise active learning time, ensuring every student is moving, engaging, and developing their skills throughout the event.

To enhance the experience, we are excited to partner with Tekkers Football Academy to deliver professional coaching in our Football Zone, and we have introduced the "Wonder Zoo" Obstacle Course to challenge our students' agility and coordination.

Today is a wonderful opportunity for you to connect with the school community and witness the resilience, teamwork, and growth of our young superstars. We hope you enjoy the Sports Morning and cheer loud for every child!

# Spectators' Guide

To ensure the safety of 120 moving children, please follow these guidelines:

- Designated Areas: Please stand behind the "Spectator Lines" at all times.
- Visibility: Teachers need a clear view of their students. Please do not cross the pitch while events are running.
- Instruction: Our staff and external coaches will provide technical instructions. We ask parents to focus on encouragement and cheering!
- Announcements: Please listen for the hooter/whistle which signals the rotation of groups.
- Photography: Please be mindful of privacy and avoid taking photos of children other than your own.
